Dear Friends,

Today we celebrate the mystery of the One God, and God is the Father, Son & Holy Spirit. this of course is one of the mysteries of our faith which reminds us of two important points, firstly that God is all powerful and through Him everything is possible, secondly on our journey through life we will not understand everything but rather we trust in God's intimate love and providence with the assurance that all will be revealed in our eternal homeland, heaven.

In my prayer life, God transcends all aspects, God the Father is who I pray to for guidance and wisdom in big decisions and important matters, I seek always to recognise Jesus as walking with me on the path of life - guiding, teaching, loving and the Holy Spirit I pray to for an increase in the Gifts & Fruits both for myself and others. Since I was young I had such an understanding of the 'Persons' of the Trinity however I was also aware that the Trinity merged into the singular 'One God' in the Sacraments of the Church bringing the full power of God into our midst.

When we were growing up we learned about the trinity that was age appropriate, however in today's world many of our young people possibly don't understand the role of the triune God, Pope Francis in 2022 spoke of the Trinity showing us how to live in communion with others, however maybe it is no surprise that in a world where many have turned away from God many live in an individualistic bubble just them and their screens.

Next Sunday is a special Feast, Corpus Christi, here in Armagh we have our "Corpus Christi Procession" leaving St Malachy's at 4:15pm and arriving at the Cathedral for 5:30pm Mass - we encourage parishioners and especially families to come along to create a festival of Faith, Hope and Love. With every blessing, Fr Barry Matthews Adm.
